

FloLogic Premium Leak Control Overview and Discount for Chubb Canada Policy Holders

Plumbing supply leaks are a leading cause of damage to Chubb Insurance policy holders' homes. FloLogic is a premium smart leak control device that is recommended by Chubb to protect its insureds from the perils of water damage.

How FloLogic Works

- Installed on the incoming water supply to monitor all water flow, recognizing leaks as abnormal flow based on home occupancy
- Intelligently protects the entire home, automatically stopping leaks, no matter their location
- Provides alerts and enables app-based control of a home's water

FloLogic System and App

Advantages of Installing FloLogic

- **Comprehensive:** Real time detection of virtually all leaks—beginning at ½-ounce per-minute
- **Versatile:** Works for all types of homes: multiple valves sizes, installation flexibility, interfaces with irrigation, water treatment and security systems
- **Vigilant:** Automatically shuts off water when leaks or critically low temps are detected
- **Connected:** App-based control enables constant oversight of a property from anywhere
- **Premium:** USA-made, cast bronze construction with battery backup during power outages
- **Proven:** The leader in smart leak control since 2000, best-in-class 5-year warranty
